## **„art-reflex - a new art platform**

„Art-reflex“ is a new, non-commercial art platform which aims to connect independent art initiators, artists' associations, groups of artists, temporary projects, off-spaces etc. and to make them known. The platform offers the initiators the possibility to present themselves and their positions, concepts and projects to the public. Every year during ART Basel, "art-reflex" is present with an art project and exhibition which offers individual groups and their artists various platforms to appear in public. Initiators and groups can sign up for registration with the submission of a dossier under [info \[a\] art-reflex.ch](mailto:info@art-reflex.ch).
